

Slate Roofing Contractors Association

Of North America, Inc.

To SRCA Members,

Hello to all. I just wanted to thank you for voting me for the Members Choice Award for 2012. I would like to give thanks to the other participants for taking the time to have other projects present for this event. I would like to also thank all those who were present at the 2012 SRCA Conference. Without all those who took time out of their fall schedule to be there, this event would not be as successful. It was definitely a great exchange of slate industries trade info and skills. Also it was a great time to meet other members who made the time to be present at this year's event. I am sure we all agree that the demos and presentations presented by different members surely is a high light to these conferences. Thank you for all the support from those who donated and demonstrated. Thanks.
