Dear Supporter of the Slate Roofing Trades,

The Slate Roofing Contractors Association of North America, Inc., a non-profit trade association, would like to extend to you an invitation to join our organization. Please apply for membership at <http://slateroofers.org/join.html>, or call us at 814-786-7015 if you would like us to send you an application, or send us an email ([mail@slateroofers.org](mailto:mail@slateroofers.org)).

We welcome roofing contractors of exceptional integrity who work on slate roofs as well as anyone who supports the slate roofing industry. Our intention is to provide educational opportunities for contractors, as well as to glean skills and knowledge from our members that can be shared for the common good. Our goal is to support the international slate roofing industry by improving the quality and quantity of skilled slate roofing professionals.

The SRCA is a member of the International Federation for the Roofing Trades (IFD), based in Germany, and an Affiliate Member of the National Roofing Contractors Association.

We maintain a contractor directory as well as several other pages at [SlateRoofers.org](http://SlateRoofers.org) where your company will be listed on our website (we had 66,000 visits and 1.42 million hits in 2016). All queries from architects, property owners and general contractors looking for slate roofing professionals are directed to our website lists. We are also developing training opportunities for traditional slate roofing and flashing practices, as well as standards for slate roof installation, repair, and restoration. We provide a unique opportunity for specialized contractors to meet, learn, and network both nationally and internationally. Dues are \$400.00/year for roofing contractors. Contractor membership includes a copy of the Slate Roof Bible, 3<sup>rd</sup> edition (2016), a copy of the book *Slate Roofs* (1926), a hardwood membership plaque, and bumper stickers.

All "Slate Roofing Contractor" membership category applications must be vetted by the Membership Committee before membership can be approved. We also offer "Roofing Contractor" memberships, "Affiliate" level membership (\$300.00/year, includes plaque only) and "Supporting" member (\$100.00/year). Please take a few minutes out of your busy day to become a member of the most dynamic slate roofing association in North America!

Take care,

Dawn Myers

*Assistant to the Executive Director, Slate Roofing Contractors Association*
